

Site Amenities

The following site amenity examples establish the general style and character for Milltown Commons. While selections should be consistent throughout the project, these examples are not intended to be exclusive.

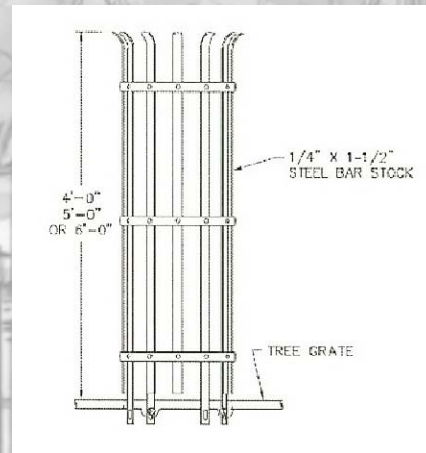

METAL BENCHES

WOOD BENCHES

TREE GRATES

TREE GUARDS

WASTE RECEPTACLES

BICYCLE RACKS

RESIDENTIAL FENCING

Fencing, gates, arbors, trellis, etc. - wood or vinyl/pvc

FLOWER BOXES

DUMPSTER AND EQUIPMENT SCREENING

Solid, traditional style fencing (wood or vinyl) should be used to screen building and site equipment that can not otherwise be sufficiently screened by landscaping.
